

Liberty Jump Team Inc
Application for Membership
a 501(C) (3) not for profit organization

I would like to support the Liberty Jump Team Inc. in its efforts to honor the veterans of World War II through static line jump demonstrations, event participation and static displays both in the United States and the European Theatre of Operation. In consideration of the donation of my \$35.00 annual fee due, please include me as a FULL member of the foundation. Note that all fees are renewable on January 1st of each year, regardless of when his/her application is submitted. With many areas of operations available on the team, I understand that I will be assigned according to my qualifications and area of expertise.
